Neurodiversity Support

Thriving through difference with the right support

Everyone's brain works differently — and that's a strength. Our confidential Neurodiversity Support service offers tailored guidance to help neurodivergent individuals navigate work and life with confidence, clarity, and care.

Converge can help you with:

- Tools to support wellbeing and daily functioning at work and home
- Strategies to work with your strengths and unique thinking style
- Support for sensory, cognitive, and emotional challenges
- Guidance on assessment, diagnosis, and referral pathways
- Insights to help create more inclusive workplaces
- Support for carers, family members, colleagues, and managers
